## **Styling and Make-up**

Bridal hair services incorporate an initial consultation to discuss all matters concerning the big day and completion of a style. We do require this trial run, as it ensures perfection and timing to make sure you arrive on time for your wedding.

Our professional make-up artists use techniques designed to bring out beauty with flawless, natural looking make-up. On your day, do not underestimate everyone's needs to have professional looking hair and make-up to help ease timing, frustration and create perfection in front of your guests and the camera.
